Blue Muthers have the cure...

Travel to Victoria on Vancouver Island, and have a good night's sleep at our little hostel, knowing that the Muthers are on the case. Leave your car at home, pack light, and bring your best walking boots.

Like to get messed up, party 'til you puke, burn down the house, and raise some serious hell? Go somewhere else....

Do you enjoy the busy, urban vibe of an island border town and seaport? Like to get up early, hike, bike, and play your harp in park? How about rock hopping on the beach and a dip in some of the coldest ocean water on the planet? Want to prepare your meals in our legendary hostel kitchen with other travelling folk cooking their own ethnic dishes? Cash in early and sleep like a rock so you can get up and do it all over gain? The Blue Muthers want YOU!

The Blue Muthers go Motagator

"Blue Muthers Island Remedy" is comprised of the staff and guests at Hostelling International Victoria. That's on the west coast of Canada, at the southern tip of Vancouver Island. An amazing array of talented players visit our little hostel from all over the world, and being musicians ourselves, we have decided to record the results of our random sessions, and call it the Remedy.
