### BAND STORY

"Louis Lingg and the Bombs are punk-rock-garage-pop-anarcho saviours of the 2 and half minute pop song. They come from Paris where they regularly blow up little bars with explosions of snot and beer fuelled punk rock energy! The group is named after Louis Lingg, the famous Chicago anarchist who committed suicide on death row in 1887. Some of their songs are ultra-political anarchist punk rock and some of their songs are like children's nursery rhymes. ALL of their song's are full of interesting pop hooks and melodies and they are sung with energy and commitment."
