BAND STORY

" See a video of me playing at <http://mike-and-derek.tripod.com> . Click on 'vids.' It's just me playing guitar. And, for the record, the song names have no meaning at all. I just call them whatever happens to pop into my head... My gear: Gibson Les Paul Studio - Black, Ebony fretboard, pictured Peavey Transtube 212 EFX - 100W Boss Metal Zone Fender Acoustic"

New song

I just uploaded a new song. Matt is playing drums on the song.

A little change

I fixed up the site a little. I added a new main picture and pictures for the songs. I also added a LoFi file for all of the songs for all of you 56K-ers.
