### LATEST NEWS

**24 February 2004:**

Hi folks!

Anyone out there in Arkansas, USA might want to listen in to Len Holten's show 'From Albion & Beyond' tomorrow evening (25th Feb.) on KUAR FM89 in Little Rock.

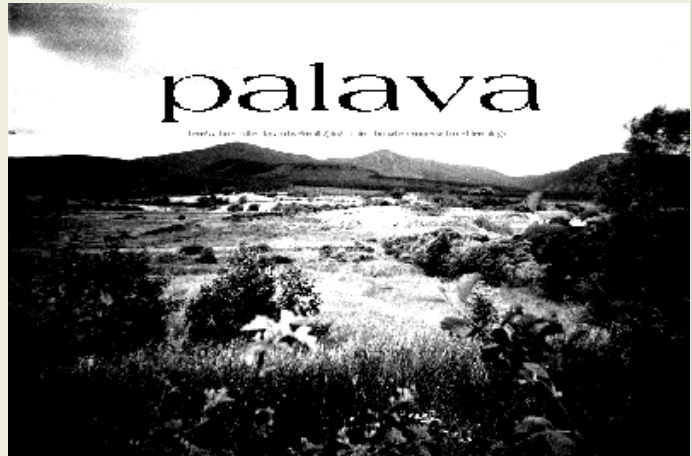

Len will be playing 2 tracks from 'Fallen in Clover': 'Don't Turn The Radio Down' & 'Don't Go Making Waves'. Thanks Len!

Thanks also to all those who came to the Gladstone on Saturday - fine ale, fine music - what more could you want of a Saturday night?!

**5 June 2004:**

We've had a few quiet months with real life, day jobs etc distracting us from the important stuff: the music. Nevertheless we have worked up quite a catalogue of new material and are set to travel out to Ireland to record the next CD at the end of the month. Our good friend and producer Chris Madin will once again be joining us. The new CD should be released in September. We're also planning an EP which will be released later this Autumn and will be free to download exclusively from this website.

We are also planning more live dates to promote the new CD in September.
