Welcome to my music

I've been playing and singing southern gospel music for almost 50 years. In the past few years I've taken up an interest in piano playing in combination with computers as never before --- I've tried to add more country sound to my playing, like Floyd Cramer and Charlie Rich and maybe a little Mickey Gilley. Here are songs I've written and I hope you enjoy them. My gospel piano influence was none other than Eva Mae LeFevre.
