### BAND STORY

"Sad & lonely ? well if you heard the rest of my songs you might think so! (But I'm ok Don't worry) Have been writing songs since the late 90's but only just recently recorded Thunder with the help of my girlfriends dad thank you Neil. I write songs probably like most people to express my deepest darkest emotions but sometimes I just have a silly Idea from a situation I'm in or something someone said. I haven't filled in my influences because I'm not sure what they are I like Oasis, Depeche Mode, Duran Duran errrr Garbage oh and Trance /Dance music in the car but dunno if they have made my music sound the way it does. Any way Hope you like it if not Never Mind I'll live, Love Sammy B "
