

» THE HEINZ-DAVID PROJECT

BAND STORY

"My Father taught me to play guitar on a early 50s Fender Esquire when I was 10. I started playing in the VFW's in florida at 14 and then every tough bar arround. I was lucky enough to record a demo in Bradleys Barn in Nashville in the late 60's. I also did some recording in the 70's, I'm still in a band after all these years and spending my free time in my home studio. Thanks for stopping by I hope you enjoy the music :)"
