I would be proud

I would be proud if you nice western peoples visited my little Eastern european virtual garage site, most of what I sing is in English or so I hope, forgive me if there is some crudeness or sth in my songs, it's not as if Im going to publish a cd or become famous or sth, just like to be antystic and anarchistic without lots of electricity. Instead I prefeere to put some mikes into my double bass or acoustic guitar and hope for the best. And man oh man it works, I like to listen to my own stuff, that being the utmost prize for any artist or antyst as the case may be. Good luck with your own work folks. do visit please;
